

### 1. PRIVACY & SECURITY

Each Potterstone home has a separate entrance for your own privacy and comfort. Extra entrances are from the carport to your main floor and basement for guests.

### 2. GOURMET KITCHENS

Become the world's next great chef in your fully functional gourmet kitchen. Complete with all the accoutrements, create savoury dishes to delight and dazzle the taste buds.

### 3. OPEN FLOORPLANS

Large 3 level, 4 bedroom plus den, 3.5 bathroom homes allow for your personal expression. Wide open floorplans are perfect for everyday family living or entertaining friends.

### 4. SLEEK BATHROOMS

Ensuite bathrooms with a double sink, under cabinet lighting, stand up shower, soaker tub, and overhead pendant lighting allow for a retreat after a long day.

### 5. SERENE BEDROOMS

Spacious master bedrooms designed to be ultra quiet and comfortable to rejuvenate your soul. Large closet spaces are excellent for extra storage and your growing shoe collection.

### 6. EXTRA FLEX SPACES

Work from home in the entrance office or turn the extra space into a study or den. There's plenty of room downstairs for a work out space or an entertainment lounge with a full wet bar.
